

QUICKSTART

A series of helpful guides provided by the Information Technology Department

Postoperative Instructions

Postoperative Instructions are accessed via the To Do List in the Anaesthesia Record

1. Double click or drag the PACU icon to populate the actions pane (bottom right of Anaesthesia Record).

Completed To Do	To Do List Event Details suxamethonium ferlanyl 100 microg amp morphine 10 mg amp dexamethasone Hartmann's infus 100 mL, IV, N neostigmine	Monitors Gases	▲ et CO2 - AN mm нg FiO2 - AN % MAC - AN % et SEV - AN % SpO2 - AN % SpO2 - AN % HR - ECC - AN topm HR - SpO2 - AN topm - Temp - AN Deg C	5(4) 45 42 44 40 45 60 40 1 0 1 2 1 40 1 0 1 2 1 41 2 1 2 1 4 7 4 0 100 4 72 78 78 4 98 100 100 4 0 0 0	^ĸ ⋏⋏⋏⋌⋏ <u>⋡</u> ⋩⋩⋩⋏⋠⋌⋏⋌⋌⋏ ∊∊∊∊∊
